Pipe Fittings

Part	Picture
Close Nipples	 A close-up photograph of a stainless steel close nipple, showing its threaded ends and smooth central section.
Hex Reducing Nipples	 A photograph of a stainless steel hex reducing nipple, featuring a hexagonal nut in the middle and threaded ends of different diameters.
Hex Nipples	 Two photographs of stainless steel hex nipples. The left one shows a standard hex nipple with a hexagonal nut in the center. The right one shows a hex nipple with a hexagonal nut and a different thread configuration.
Hex Long Nipples	 A photograph of a stainless steel hex long nipple, which is a long threaded pipe with a hexagonal nut in the center.
